OUR FOUNDER
**HAROLD
BAUER**

FOR NEARLY 50 YEARS, HAROLD HAS DEVOTED HIS LIFE TO ESTABLISHING AND GROWING THE ROYCE BRAND.

At a young age, from his paper routes as a youth to road trips across America selling his father's leather accessories, Harold Bauer was a bona fide hustler, a true entrepreneur in the making.

In the late 1960s, after learning the leather craft, Harold Bauer scaled his father's gifting business to unprecedented heights. His passion for people and product has been unrelenting throughout his tenure. Even on vacation, he loves discovering new gifting ideas and studying the trend of what people use during travel.

He ultimately partnered with his wife Kathy to establish our e-commerce business in 2003. Following in the footsteps of his father, his son Will joined ROYCE in 2014 to expand our stores and corporate partnerships.

ROYCE became ROYCE New York as an homage to the Bauer family's 70th year of leather craftsmanship in New York City. With its artisan roots stemming back to the 1880s in Vienna, Austria, ROYCE is now a four-generation family tradition, and Harold has played an integral part in celebrating that proud tradition.

Harold has always had a knack for "styling" as he calls it, and his eye for functional design is still incredibly relevant. Many of his signature wallets, bags, and travel accessories from decades past continue to be bestsellers in luxury department stores across the world, including Bergdorf Goodman, Saks 5th Avenue, and Neiman Marcus.
